G.O.M Press No.838. Dated 20th March 1952.
Read the following:-

From the Board of Revenue, Ref.No.V.3181/52-1, dated 10.3.1952.

O R D E R:

The Government accept the recommendation of the Board of Revenue and direct that subsistence loans granted in all the districts which have been recognised by the Government as areas where distress prevails, should be free of interest.

2. The Government also accept the recommendation of the Board of Revenue that in the cases of joint pattadars it is not necessary to insist on the security statement from the other joint pattadars when subsistence loans have been applied for and that in such cases the mere consent of the other joint pattadars should be sufficient and the applicant's share of the joint holding should be the security for the loan.

3. The Government however consider that the non-cultivators such as artisans etc. cannot be said to be hard hit on account of the adverse seasonal conditions in the same way as agriculturists. They are therefore unable to accept the proposal of the Board of Revenue to extend the scheme of subsistence loans to non-cultivators.
